Your Czech Supplier Service – YCS service

Are you looking for a new supplier?

We can help you to find the right one in the Czech Republic.

“Your Czech Supplier” service is an exclusive service provided by CzechTrade. This service is offered FREE OF CHARGE to all Scandinavian companies interested in identification of new or alternative supplier.

The Czech Republic – new member of the EU is well known through high quality products and components. Try to find your Czech supplier! You have not tried our service yet or you are not sure how to do that? Do not hesitate to contact us.

YCS covers all the major industrial sectors.

Czech Industrial Partner Search – CIPAS service

Are you looking for a new outsourcing partner?

We can help you to find the right one in the Czech Republic.

“CIPAS” service is an exclusive service provided by CzechTrade. This service is offered FREE OF CHARGE to all Scandinavian companies interested in outsourcing in the Czech Republic (e.g. machined components, casting, bending, machining, etc.).

The Czech Republic has recently become one of the most popular destinations for firms focusing on long-term and cost-effective production. The strategic location, developed infrastructure and skilled labour force are the main factors, which make the Czech Republic a perfect place for your future business development.

If your company wishes to co-operate with Czech firms in production, development or capital investment CIPAS service will be the right solution for you.

If you would like to receive more information about any exhibition or our service YCS or CIPAS please call us 08 505 65 170 or send us an e-mail to info@czechtrade.se. For more information about CzechTrade office in Sweden visit www.czechtrade.se.
